**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose deregulation of big telephone companies. I want more competition in the telecommunications market. Consumers want to have more choices and the ability to make in impact with our choices.

We don't want the cost increases that deregulation will bring along with limited choice.

Broadband providers like Sonic.net provide us the service that we want at an affordable price and quality. We support competitive broadband.

Don't stick up with just one or two providers.

We are a household that supports broadband competition.

Listen to us!!!

Don't sell out to big telephone companies.
